Depending on student interests, cognate courses may be selected from one or several units. Courses applied toward Carolina Core requirements cannot be counted toward either cognate. All cognate courses must be approved by the student's academic advisor.
5. Students in the Arnold School of Public Health are required to demonstrate proficiency in one foreign language equivalent to the 110 course through course credit or the corresponding foreign language placement score.
6. Students in Public Health must complete a minimum of 120 credit hours. Depending on specific course choices, students must complete an appropriate number of elective courses.

Program Notes:
