FROM THE DEAN'S DESK

As we enter the holiday season, this is a time to reflect on those things for which we are most grateful. I am grateful for our students who are determined to learn and grow and are daily preparing themselves to care for their communities. I am thankful for our faculty and staff who work tirelessly to provide exceptional learning experiences for our students. I am also grateful for our alumni, donors, and friends who support our college and make it possible to fulfill our mission and continue growing into the future. In the spirit of giving thanks, I want to wish you and your loved ones a wonderful Thanksgiving.
